# WHY INNOVATION IN LEADERSHIP IS MISSION CRITICAL

# Why Innovation

## Three data points that converge to one BIG IDEA.

## The Speed of Change

change.

It used to be every 20 years.

## Every 18 months, we hit generational markers of

## The Rise of "The Nones"

Currently, 23.1% of the United States identifies without any religious affiliation. That's more than would identify as "evangelical."

## The Closed Doors

60% of the United States will not be reached by our current methods of doing church. That number grows every year.

## THE BIG IDEA

# Today, a Christian leader needs the skill of innovation like a carpenter needs a hammer.

## **KINGDOM INNOVATION DEFINITION**

It's new, it works and it brings glory to Jesus.
